

McKinley-Thatcher is teaming up with Martinizing for home-delivery dry-cleaning service!

Details:

- Schedule pickups only when you need them (no contracts or minimum order requirements)
- You designate the pick-up and delivery locations at your house (it is not necessary to be home)
- Our route will have Monday/Thursday pick-up/delivery days.
- 25% of your initial order (5% of subsequent orders) goes to McT
- Dry-cleaning is done using [GreenEarth®](#) processes.
- Martinizing's prices (see attached price list) have not been increased for this program and delivery is no charge. Your credit card is automatically billed with each order.
- Pick up a packet in the front office with more information and a temporary pick-up bag; a heavy-duty reusable bag will be returned with your cleaned garments for future orders.
- Contact the PTA with any questions at mctfundraisers@gmail.com.

Just three steps to get started!
