3. Framing – Our rating on the School Performance Framework

As a continuation from the last two month's discussions, McKinley-Thatcher strives to keep students engaged and motivated and challenged and developing student's character and keep the strong tie to community. The SPF doesn't reflect all of these great things.

McT's SPF dropped from green to red (stoplight), which is the bottom tier.

4. SPF Presentation and Feedback

Sonia presented the SPF presentation that she will share the following week with the entire school community. After the presentation, the attendees shared feedback on the strengths of the presentation, questions, and details suggested.

5. Community Night Discussion

20 minutes for the presentation.

Simultaneous Spanish interpretation will be available.

Free childcare provided by McT staff.

Invite to the community night sent via Friday emails and flyers, IC email from Sonia, and a robocall.

After the presentation, attendees will be invited to share their ideas and thoughts on what are McT's strengths and areas for improvement. The sharing of ideas will be divided into four areas around the room and will hopefully be facilitated by McT staff.

If attendees have questions, they will have the opportunity to write down the questions and leave them to be responded to later.

Meeting adjourned at 6:25pm.
